Notes

9/5 Turned in signed copies of confidentiality agreements for Capitol Police over to Seth. (Pl. Astry gave them to him. They were picked over by Pl. Grogan.)

- 9/16 Spoke to Jason re: news articles. Didn't think it was good idea to move forward with an attorney. Drove to Tusculum to meet with Mike Cammer. Sec. Collier thought that it would be a good idea to have my attorney send a letter of retraction to w.com. Mike and I decided that doing so would bring unwanted attention to the Governor and myself.

- 9/17 Meeting Governor @ his office Wednesday morning. Told him the stress was taking a toll on me. I have noticed that the Governor has been calling me from a phone that shows on my caller ID as unknown. He has left voice message from this phone. While in his office this morning, I noticed he had a third phone that I did not recognize. The phone was on his desk. As I walked out of the office, members of the campaign were sitting in the waiting area. (Zach, Heath and Angie). General Trautman asked the Governor if he would give me a...

- 9/18/2014 - 9^{am} During a routine screening with his doctor, Chris' stress was told his heart rate was elevated. Chris told me he is under pressure because of what is going on with the IG. Chris' doctor (Dr. Hay) has him scheduled for a stress test. Chris informed me that he continues to hold on to a copy of the tape. Compression occurred on my state phone.

Addition to note on 9/17 - Spoke with Vance
He stated grant money being used for salaries.
Stated money should have gone to PDs but did not.

Continued from 10/24/2014 - I also talked
Gov about Billy. Gov said he choose
Billy. He had previously said he did
not know who choose Billy. I expressed
concerns about Billy not being ready to
lead a team. He agreed Don said that
he would talk to Spencer about it.
I told the Gov that two of the guys
Don't have enough experience to travel alone
with him and that I was concerned about
their decision making process. He agreed and
said he has been concerned.

We also talked about Spencer not taking
my calls anymore. I told him that I never
see Spencer anymore. I told him that Spencer
has no go through the Taylor road. The Gov
told me he was not happy with that and
that I was to report directly to Spencer.
He mentioned that he knew Spencer had been
under a lot of pressure lately (I mentioned it 1st)
As I was leaving Gov talked about me being
cut over half my salary and that he would
fix it this week. He also asked me if I
needed some money. I said no, "it wouldn't
look good to do something like that." He then
said "well Paul can give it to you." I told him
thanks but that I don't think that's the right
thing to do.

During our conversation he said he could tell
that the detail guys are down. He mentioned Peggie
in particular. He also said he liked Mike
and did not know that Billy had him

Notes

removed. Gov has changed. He is very arrogant and seems to have almost a Gold complex. Mrs B seemed on edge.

• Mrs B told me on the day of the gas leak @ the mansion that she is on the verge of a break down. She said she wakes every morning with an upset stomach. She said she is extremely depressed. She said she is taking medication "just to make it through the day". She said "RMC is whope" That is the first time in nearly four years that I have ever heard Mrs Bentley ever say anything that strong. That like saying a curse word for Mrs B. Mrs B said the Gov told her that he is going to keep RCM on after the election, but that she will work from Tusculoosa. She said that Clay Ryan was trying to set both John and RCM up with jobs in B'ham but the Gov didn't want that because he wanted RCM around him. Mrs B and I talked ^{about} the Gov treating her badly because she has low self esteem, and knows that she will not leave. She also said that he emotionally and mentally abuses her and that she is so embarrassed because that is her throne or platform as First Lady.

Cont. from 12/8. Said RCM was innafe because she (Mrs B) posted a picture on Instagram. A picture of Mrs B and the Gov. Mrs B said RCM was innafe because she felt that Mrs B posted the picture to hurt her feelings and embarrass her. Mrs B said that she was sitting in another chair opposite of

Gov but could still hear RCM yelling through the phone. Mrs B said it was like she was the mistress and RCM was the wife.

Mrs B said that she is concerned for her safety. She said that following the Gov's conversation with RCM, she (Mrs B) suggested to the Gov that RCM has mental issues. She said his response was no it's just hormones.

COS (Seth)

• On Wednesday 12/13 prior to attending a meeting with Sean Cassidy in the Capitol Auditorium I stopped by the Chief of Staff's office. During that meeting, he showed me a letter which had a job description on it. The COS said that the Gov wrote the job description himself. Said it was for RCM. The COS said that the Gov never spoke with him about it. Said that after writing the letter, Gov took it to Blake Handwich in order for her to type it. COS seemed to be upset about letter and went on to say that if RCM is hired he believed it would be an ethics violation because she and the Gov have had an inappropriate relationship.

I have expressed to the COS that I feel RCM poses a security threat. I feel there are signs of mental illness and that there is even more concern of a jilted & embarrassed husband lashing out.

It is my opinion that RCM attacks everyone that is a perceived threat.

I have suggested to Seth that we turn her (RCM's) access to the Capitol off.

Notes

Stan Stabler was present during the meeting. The meeting was in Seth's office on 10/1/2014.

- The environment as far as work has become one of mistrust. Everyone is afraid to say or mention RCM without the possibility of being fired.
- I spoke to Jason this morning 12/8 and gave him the details of my conversation with Mrs. B.
- Received my letter of appt. from JT today. He (JT) also told me that I would be receiving my Comp time in payment.

Cont. 1/31/2015

Gov said the report promised to have a name before week was over. He said some people are accusing Mrs. B. He said he believes it is Angie. He said Angie does not like the fact that RCM is nice to him. He went on to say that Heath overheard Angie say she would destroy RCM at all cost. I said to him that in all the time that I have spent around Angie I have never heard her say anything negative about RCM. He went on to say it's all about Angie being jealous of RCM and that Angie wants to be where RCM is. I told him I thought him saying someone called to Linda House in reference to the tape monitoring was

Notes

a mistake and I wished he had met
with me before doing so. I said to him he
has ^{not} Linda ^{asked} for her job. I told
him Linda mentioned to me she was
providing her attorney with the facts of
what she is going through. The Gov appeared
to be shaken by this comment. I advised
him that the tape is out there and just
to leave it alone and hopefully it will never
come out. I said to him that he does not
want to be accused of trying to intimidate
witnesses. Prior to making the previous comment,
the Gov boasted about how he checked Linda
out in front of Julie and Rachel and stated that
he thinks Stan even heard it. He said he
wants everyone to know he is not taking any
"shit" and he is in charge. That is the
first time I ever heard the Gov use profanity.
It surprised me. He told me the reason he was
upset was because he told Linda to get
R.M. on the flight to Washington DC and that
Linda checked with David Byrne to see if
it was legal. He told me R.M. can go
anywhere he wants her to go. He went on
to say the President being accused of
having a girlfriend and that people close
to him call her his "Whisper". That comment
concerned me because it seemed as though
he was justifying his relationship with R.M.
The Gov went on to say he has grown
tired of his legal advisor, David Byrne and
his Chief of Staff Seth Hammett. He said
that the both of them have gotten to
be comfortable in their positions and that it
is time for them to move on.

Notes

The Gov said that he chewed David Byrne out of Friday for not letting press know what he was doing when it came to legal filings. He said that David had recently filed a document with the court but did not tell Jennifer about it. In an angry voice he (the Gov) explained to David that nothing goes on without press being involved. He said press is everything. That comment was surprising because he used to say Jennifer got on his nerves and that she didn't need to know everything.

- The Gov also said that he is not happy with Seth. He said that Seth sometimes thinks he the Governor. He said that he gave Seth a job description that he wrote himself for RCM. He said he gave it to Seth to review. He said Seth made him mad because he suggested some changes in the description. He said Seth was concerned that the description he wrote for RCM would take away from his responsibilities as COS. The Gov said he was very firm in telling Seth he liked the job description that he wrote himself and said to Seth he did not want it changed. The Governor said he wished Seth would leave.

- The Governor and I talk about the mansion gate log. He said he has never asked Spencer to do away with it.

After talking about Ashley, Seth spoke of how the Gov has been treating him and David Byrne. Seth explained that the Gov is treating the both of them badly because they have advised him that his relationship with RCM is inappropriate and that it could create problems for him if there ever was an investigation. I explained to Seth that from my past experience as an investigator that I thought the Gov could possibly go to prison for his action concerning RCM. Seth agreed. Seth said that he is really concerned about the 501c or as the Gov is calling it "The Foundation". I told him the Gov did mention the 501c to me during our conversation on 1/31/2015. The Gov has recently told me that is how he would pay RCM. Seth told me he is concerned about how the Gov is treating David Byrne and Linda. He said David is a hard worker, is usually one of the first people in the office and one of the last to leave each day. He said the Gov is treating unfairly. Seth also said Linda came to him and that Linda was very upset about the way Gov had talked to her. He said because Linda had questioned the Gov putting RCM on the phone trip to DC the Gov would now have her fired. Seth said that Linda talked about how she could not afford to lose her job.

Spencer also said he was going to move Stan to Mobile as the commander over the Mobile area of SB5. I spoke with Frank in my office about the secretary and I spoke about it. I also called Reggie Markins and asked him if he would be interested in becoming the Governor's Detail leader. Reggie said yes. The secretary was good with my suggestion of Reggie. He said Gov did not make a specific request for what leader.

Mrs B said she and Paul don't talk very much anymore. She said the situation with with Gov and Rem had torn their family apart.

She also said the Gov and Matthew have not talked in awhile. She said John was staying tonight in the pool house and was planning on talking to his dad. Mrs. B said that she took some pictures while celebrating the Gov's birthday but had to allow the Gov to look at them before they were posted to make sure they did not offend Rem. Mrs. B. made the comment that it was bad when you had to make sure you're not upsetting the mistress.

Mrs. B said she was not excited about the 1000

in a few weeks with RCM.
